🌐 IIEP web site - Maria Priscila Ramos

Gender Female | Date of birth 29 October 1977 | Nationality(-ies) Italian-Argentinean

CURRENT POSITION

Areas of research

Researcher (IIEP, UBA-CONICET) - Assistant Professor (FCE,UBA)

- Trade policy: Tariff-rate quotas, SPS and TBT;
- Agricultural policy: European CAP, Biofuels policies;
- Preferential trade agreements: EU-Mercosur, EU-Chile, ECOWAS, CFTA;
- Trade and Poverty: Food security and nutrition. HH welfare impact of policies reforms;
- Trade and the Environment: Trade negotiations on Environmental Goods, Climate change policies in developing countries;
- Modelling: I-O, PE and CGE (static and dynamic) models; macro-micro simulations.

WORK EXPERIENCE

2016 – Present

Researcher

Consejo Nacional de Investigaciones Científicas y Técnicas (CONICET), Instituto Interdisciplinario de Economía Política, IIEP–Baires (UBA–CONICET), Buenos Aires (Argentina)

International and Regional Trade Negotiations (EU-Latin American countries), Trade and the Environment (CO2 emissions), Trade Policy in Agriculture (TRQs, other NTMs), Regional and urban economics, CGE modelling, Microsimulations based on surveys data.

Reference: Omar CHISARI, ochisari@gmail.com; Daniel HEYMANN, dhey-mann2010@gmail.com

2012 – Present

Assistant Professor

Universidad de Buenos Aires (UBA), Buenos Aires (Argentina)

Macroeconomics (undergrad. until 2016), International Economics (undegrad., since 2017), CGE modelling (PhD in Economics program, since 2018)

Reference: Andrés LÓPEZ, anlopez@fund-cenit.org.ar

2017 – 2018

Professor

Instituto del Servicio Exterior de la Nación (ISEN), Ministerio de Relaciones Exteriores y Culto de la Nación Argentina, Buenos Aires (Argentina)

International Trade (Diplomacy career program).

Reference: Emb. Teresita González Díaz, tsg@mrecic.gov.ar

2015 – 2018

Professor

Universidad Nacional de Quilmes (UNQ), Buenos Aires (Argentina)

Planning and (trade) policies for Development (PhD in Development program).

Reference: Demian PANIGO, panigo@gmail.com

- 2014 – 2017 **Professor**
 Universidad Nacional del Centro de la Provincia de Buenos Aires (UNICEN), Tandil (Argentina)
 Fundamentals of Economics (Master in Social Sciences program).
 Reference: Lucia LIONETTI, lionettilucia@gmail.com
- 2010 – 2017 **Professor**
 Universidad Argentina de la Empresa (UADE, Buenos Aires (Argentina))
 International Economics (undergrad.); Research Seminar (undergrad., Master in Applied Economics until 2015)
 References: Silvia CAVIOLA, scaviola@uade.edu.ar and Omar Chisari, OCH@uade.edu.ar
- 2009 – Present **Independent Consultant**
 Buenos Aires (Argentina)
 Economist Consultant and Researcher in macroeconomics and international trade for different national (Argentinean Ministry of the Economy) and international (IFPRI, CEPII-EU Commission, Bureau of European Policy Advisers, INRA from France, German Marshall Fund, World Bank, IADB) institutions.
 See the list of projects for more details.
 Reference for CEPII/CIREM: Lionel FONTAGNÉ, lionel.fontagne@univ-paris1.fr
- 2005 – 2009 **Economist**
 Centre d'Études Prospectives et d'Informations Internationales (CEPII), Paris (France)
 MIRAGE Team: GCE modeling, Tariff-rate quotas database and modeling, EU-Mercosur preferential trade agreement, Agricultural and Biofuel Policies.
 Reference: Sébastien JEAN, sebastien.jean@ceprii.fr
- 2003 – 2007 **Researcher Jr.**
 UMR Économie Publique, INRA – AgroParisTech, Paris (France)
 Scholarship by the French Ministry of Research until 2006. Partial Equilibrium AgroParistech modeling: Quality differentiation, trade and the environment (beef trade, environmental product's trade liberalization, etc.).
 Reference: Jean-Christophe BUREAU, bureau@agroparistech.fr
- 2003 – 2007 **Teaching Assistant**
 UFR Économie et Gestion, Université de Cergy-Pontoise, Cergy (France)
 Teacher assistant in Macroeconomics (undergrad.)
- 2002 – 2003 **Internship**
 UMR Économie Publique, INRA – AgroParisTech, Paris (France)
 Study on the agricultural competitiveness of Mercosur.
 Reference: Sophie DROGUÉ, sophie.droque@supagro.inra.fr
- 2002 – 2003 **Teaching Assistant**
 French Ministry of National Education, Académie de Créteil & French Embassy in Argentina, Dammarie-les-Lys (France)
 Teacher assistant in Spanish at Lycée Joliot-Curie and Collège Robert Doisneau through the Language Internship Program managed by the French Embassy in Buenos Aires.

2003 – 2007

PhD in Economics

Ecole Doctorale ABIES, AgroParisTech, Paris (France)

Thesis: Politique commerciale, qualité et environnement : une application aux négociations commerciales entre l'Union Européenne et le Mercosur.

Supervisor: Jean-Christophe BUREAU

Committee members: Antoine BOUET (University of Pau and IFPRI), David BLANDFORD (Penn State University), Lionel FONTAGNÉ (University Paris 1 Sorbonne-Pantheon); Luca SALVATICI (University of Molise)

Academic Qualification: Mention Très Honorable.

Contact Information: Francoise LAUNAY, abies@agroparistech.fr, 19 avenue du Maine 75732 Paris Cedex 15

2002 – 2003

Master in Environmental Economics

Ecole de Hautes Etudes en Sciences Sociales (EHESS), Paris (France)

Thesis: Analyse des effets d'une accord agricole de libre-échange entre l'Union Européenne et le Mercosur.

Contact Information: Jean-Christophe BUREAU, jc.bureau@agroparistech.fr, 16 rue Claude Bernard F-75231 Paris Cedex 05

1996 – 2001

Bachelor in Economics

Universidad Nacional de La Plata, La Plata, Argentina

Contact Information: Calle 6 No. 777 1900 La Plata, +542214236769/71/72

PERSONAL SKILLS

Mother tongue(s)

Spanish

Other language(s)

	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken interaction	Spoken production	
French	C2	C2	C2	C2	C2
English	C1	C2	C1	C1	C1
Portuguese	B1	B2	B1	B1	B1
Italian	A2	A2	A2	A2	A2

Levels: A1/A2: Basic user - B1/B2: Independent user - C1/C2: Proficient user
Common European Framework of Reference (CEF) level

Technical/Digital competence

- Proficiency level in CGE modeling (MIRAGE, IFPRI's and own developed models) and microsimulations.
- Proficiency level at using, building and updating databases (SAMs, GTAP, MAcMapHS6, TRQs, BACI/UNComtrade).
- Proficiency level programming in statistic and econometric softwares: SAS, Stata.
- Numerical calculation programs: GAMS (Proficiency), Matlab (Basic), Mathematica (Independent).
- Others: Microsoft Office 365, 2013 and previous versions (Independent), L^AT_EX(Proficiency), HTML (Independent).

Communication

- Writing academic papers and technical reports for the European Commission, the French Ministry of Agriculture, Argentinean Ministries (Economy; Foreign Affairs; Energy; Agriculture; Environment), ECOWAS Commission, UNCTAD, WB and other international institutions.
- Chairman in projects' meetings and conference presentations.

Organisational/Managerial skills

- Project coordination at WB, JRC-EC, IFPRI and UBA.
- Supervision of trainees (CEPII, UBA, IIEP-Baires), BA and Master theses in Economics (UdeSA, UBA, UADE).
- Excellent interpersonal relationships and teamwork.

Driving license B

ADDITIONAL INFORMATION

Projects

- UN-ILO (Buenos Aires, Argentina) Collaborator as Economist of the project "COVID-19 y su impacto sectorial en la Argentina". Aug. 2020 – Oct. 2020
Scientific tasks: Development of a dynamic I-O model of hypothetical extraction in key sectors affected by the pandemic (Automobile, Hotels, Restaurants, etc.) to simulate their impact and project their recovery (activity and employment).
Reference: Carlos A. Romero, carlos.adrian.romero@gmail.com ; Christoph Ernst, ernst@ilo.org
- World Bank (Washington DC, USA) Consultant researcher of the project "EFI-LCR-POV-Poverty and Equity". May. 2020 – Jul. 2020
Scientific tasks: Argentinean I-O matrix update (2017) with sectoral details of public infrastructure sectors - IO modelling for investment simulations and employment impact.
Reference: Lourdes Rodriguez Chamussy, lrchamussy@worldbank.org
- Ministerio de Ciencia, Tecnología e Innovación (Buenos Aires, Arg.) Leader of the project "Impacto social-económico y ambiental de la diversificación energética en Argentina: un enfoque micro-macroeconómico computado. (PICT 2018)". Since Mar. 2019
Description: SAM matrix and CGE modelling to Argentina to evaluate economic and environmental impact of the energy matrix diversification.
- Universidad de Buenos Aires (Buenos Aires, Arg.) Leader of the project "Impacto Regional del Desarrollo de Bioenergía en Argentina (PDE 2018)". Since May 2020
Description: I-O matrix and models at Argentina regional level (provinces) focusing on bioenergy sectors development.
- Saana Consulting Ltd. (London, UK) Consultant researcher of the project "Project Gateway Development Impact Assessment". Since Nov. 2019
Scientific tasks: transport cost simulations due to maritime port investment (Africa) using a CGE approach.
- World Bank (Washington DC, USA) Consultant researcher of the project "Modeling potential impacts of Argentina's current carbon tax - PMR Argentina". Aug. 2019 – Jun. 2020
Scientific tasks: development a dynamic CGE model to Argentina in 2017 to evaluate carbon tax policies.
Reference: Lucia Spinelli, lspinelli@worldbank.org

Projects

- IADB Washington DC (USA) Consultant researcher of the project “Improving infrastructure in Latin American countries”. May 2019 – Nov. 2019
Scientific tasks: development the Ecuador and Colombia dynamic CGE models calibrated to 2015. Simulations of gains in efficiency, productivity and quality on infrastructure sectors in this countries and on investment in infrastructure also in Perú and Bolivia.
Reference: Leandro Gastón ANDRIAN, LANDRIAN@iadb.org
- European Commission JRC IPTS D4, Seville (Spain) Consultant researcher of the project “Improving Nutritional Indicators in Kenya through market incentives: macro-micro simulation approach”. Aug. 2018 – Nov. 2019
Scientific tasks: development the microsimulation module for nutritional impact at the household level, linked the micro module with the CGE macro model of Kenya, evaluate agricultural policy reforms in Kenya over households nutrition.
Reference: Emanuele FERRARI, Emanuele.FERRARI@ec.europa.eu
- FAO Argentina, Proyecto Probiomasa, Buenos Aires (Argentina) Scientific leader and researcher of the project “Estimación de la demanda de Biomasa georreferenciada para Argentina 2016”. Feb. – May. 2018
Scientific tasks: development of a georeferenced dataset of biomass demand for energy use to Argentina.
Reference: Enrique GEHAN egehan@probiomasa.gob.ar
- Secretaría de Comercio, Ministerio de Producción, Buenos Aires (Argentina) Scientific leader and researcher of the project “Argentina y el comercio de bienes ambientales: una evaluación en Equilibrio General Computado a nivel de producto (HS6)”. Aug. 2017– Dec. 2017
Scientific tasks: development of a CGE model to Argentina with trade at the 6-digit level and its SAM for 2016. Simulation of alternative lists scenarios about trade liberalization of environmental goods.
Reference: Anabel MARIN (CNCE).
- Instituto del Servicio Exterior de la Nación, Buenos Aires (Argentina) Online Course on “Trade and Investment” to diplomats (primeros secretarios) from Cancilleria Argentina. Jul. 2017 – Aug. 2017
Scientific tasks: 4 modules about trade and the environment, trade and poverty and trade in services and foreign direct investment.
Reference: Em. Teresita GONZALEZ DIAZ (ISEN).
- Centro de Investigación de Política Urbana y Vivienda, Universidad Torcuato Di Tella (UTDT), Buenos Aires (Argentina) Senior economist researcher at the project “Urban Property and Land Taxation in Argentina: The Challenge of Decentralization” which was financed by the Lincoln Institute of Land Policy. Apr. 2016– Dec. 2016
Scientific tasks: survey about International evidence on the Property Tax.
Reference: Cynthia GOYTIA, cgoytia@utdt.edu
- FIEL, Buenos Aires (Argentina) Invited advisor and researcher for the project “El futuro compartido del Mercosur y la Unión Europea: innovación, productividad y crecimiento”. Sep. 2016– Dec. 2016
Scientific tasks: survey about EU/Mercosur negotiation papers.
Reference: Marcela CRISTINI, marcela@fiel.org.ar
- Instituto de Economía UADE, Buenos Aires (Argentina) Scientific leader and researcher of the project “Consecuencias ambientales, comerciales y para el desarrollo de la liberalización comercial de bienes ambientales en América Latina”. Jun. 2015 – Sep. 2017
Scientific tasks: CO2 emissions modeling by sectors (agriculture and energy), the design of trade liberalization scenarios (NTMs, SDTs for LDCs, and technological transmission).
Reference: Omar CHISARI, OCH@uade.edu.ar
- Department on Trade and Industry of the African Union Commission & Crown Agents Limited, London (United Kingdom) Senior Economist of the project “Analysis of the Potential Impacts of the Africa’s Continental Free Trade Agreement (CFTA)”. Mar. 2015 – Jun. 2015
Scientific tasks: CGE model simulations and microsimulations using household surveys of the CFTA (tariffs and NTMs reduction) between African countries; co-writing the report for 20 African countries.
Reference: Nicolas DEPETRIS CHAUVIN, depetris@gmail.com

Projects

- ECOWAS Commission - Department of Agriculture, Environment and Water Resources & ITAQA SARL, ParisScientific leader and researcher of the project "Formulation des propositions des mesures complémentaires au TEC permettant de faire face a la volatilité et aux flambées des prix à l'importation". Oct. 2014 – Sep. 2015
Main scientific tasks: estimation of error correction models between international and local prices of agricultural commodities, and between regional ECOWAS regional markets.
Reference: David LABORDE, D.Laborde@cgiar.org
- Consejo Económico y Social de la Ciudad de Buenos Aires & Instituto de Economía UADE, Buenos AiresScientific leader and researcher of the project "Política Económica, Migraciones y Eficiencia productiva en la Ciudad de Buenos Aires: Simulaciones con un modelo de equilibrio general computado" to develop the SAMs for Buenos Aires city and a CGE urban model.Mar. 2014 – Nov. 2014
Reference: Omar CHISARI, och@uade.edu.ar
- UNCTAD Virtual Institute, GenevaPrincipal researcher of the project "The impact of trade liberalization of environmental products on welfare, trade, and the environment in Argentina" to simulate alternative scenarios of trade liberalizations of environmental goods at the WTO.Apr. 2013 – Nov. 2014
Reference: Vlasta MACKU, Vlasta.Macku@unctad.org
- Bureau of European Policy Advisers and CEPIL, BrusselsResearcher collaborating in the project "The Global Economy in 2030:Trends and Strategies for Europe" to simulate alternative scenarios of growth for the European Union and the world until 2030 (dynamic baseline). Jan. 2013 – Nov. 2013 Available at:europa.eu/espas/pdf/espas-report-economy.pdf
Reference: Lionel FONTAGNÉ, lionel.fontagne@univ-paris1.fr
- Centro de Estudios Fiscales y para el Desarrollo de Argentina, Buenos AiresResearcher in the project "Fiscalidad y Equidad en la Argentina: un Enfoque de Equilibrio General" to run and analysis alternative fiscal policy reform to improve income distribution. May 2012 – May 2013
Reference: Jorge GAGGERO
- Global Trade Alert – Centre of Economic and Policy Research, LondonResearcher in the project "Welfare Impact of Protectionism in Latin America: Evaluation of Alternative Scenarios" to run and analysis alternative trade policy reform in Latin American countries with a CGE model.Apr. 2012 – Aug. 2012
- The Institute for Prospective Technological Studies – European Commission's Joint Research Centre & CEPIL, SevillaResearcher and expert in CGE modeling in the project "Long-term Socio-Economic Assumptions for Energy, Transport and Emissions Scenarios" to update the Mirage model dynamic baseline between 2004-2100 (energy sector modeling, transport and CO₂ emissions). Jan. 2011 – Jan. 2012
Reference: Lionel FONTAGNÉ, lionel.fontagne@univ-paris1.fr
- DG Trade - European Commission and ITAQA, BrusselsEconomist External Consultant collaborating in the project "An evaluation of the economic Impact of the trade pillar of the EU-Chile Association Agreement" to develop a CGE model to the Chilean economy (trade and trade policy modeling at the HS6 level, trade facilitation, simulation of different scenarios). Dec. 2010 – Dec. 2011
Reference: Sébastien JEAN, sebastien.jean@cepil.fr
- FLACSO–Ecuador, QuitoExpert in CGE modeling and researcher collaborating in the project "Desarrollo de instrumentos cuantitativos para la evaluación del impacto de políticas públicas" to update SAM from Ecuador and to develop a structuralist CGE model for Ecuador (simulations and analysis of different scenarios on industrial policy reforms at sectoral level). Dec. 2010 – Dec. 2011
Reference: Leandro SERINO, lserino@gmail.com
- DG Trésor – French Ministry of Finances & CEPIL/CIREM, ParisEconomist in the project "Négociations pour l'ALE EU-Mercosur" to simulate alternative scenarios of the EU-Mercosur trade negotiations with Mirage model-HS6 version (trade and trade policy at the HS6 level, modeling tariff rate quota mechanisms, etc.). Nov. 2010 – May 2011
Reference: Lionel FONTAGNÉ, lionel.fontagne@univ-paris1.fr

Projects

- DG Research – European Commission & CEPII/CIREM, Paris Economist expert in CGE modeling participating in the project “Global Europe 2030-2050” to update the CEPII/CIREM Mirage model dynamic baseline between 2004-2050 (sectoral factor productivity, environmental baseline, etc.) Jun. 2010 – Nov. 2011
Reference: Lionel FONTAGNÉ, lionel.fontagne@univ-paris1.fr
- International Food Policy Research Institute (IFPRI), Washington Principal Researcher in the project to update the Multilateral and Latin-American preferential tariff-rate quotas database and the analysis of the impact of their administrative methods on the rent and welfare for trade partners. Oct. 2009 – May 2011
Reference: David LABORDE, D.Laborde@cgiar.org
- FISPE/BID, Secretary of Political Economy, Argentinean Ministry of the Economy and Public Finances (MECON), Buenos Aires Project leader (BID 1575/OC-AR). Updating the Social and Financial Accounting Matrix for Argentina in 2007 and the development of a new CGE recursive dynamic model for Argentina. Aug. 2009 – Oct. 2010
Reference: Leandro SERINO, lserino@gmail.com
- German Marshall Fund, Brussels Economist External Consultant Co-author with Christophe Gouel (INRA) and Cristina Mitaritonna (CEPII) of the work “What would happen if European agricultural policy were liberalized?: A model-based assessment of the CAP impact on developing countries”. Jul. 2009 – Dec. 2009
Reference: Alan MATTHEWS, Alan.Matthews@tcd.ie
- European Commission, DG Trade, Brussels Economist External Consultant in the project “Advanced Trade Liberalization Analysis & Simulation Report” (ATLASS Consortium). Participation in the project on Biofuel policies and their economic and environmental impacts. 2008
Reference: Lionel FONTAGNÉ, lionel.fontagne@univ-paris1.fr
- European Commission, DG Agriculture, Brussels Economist collaborating in the project “New Issues in Agricultural, Food and Bioenergy Trade” (AgFoodTrade FP7). Co-author of the working paper WP2010-04 “The art of Exceptions: Sensitive Products in the Doha Negotiations”. 2008 – 2011
Reference: Jean-Christophe BUREAU, bureau@grignon.inra.fr
- European Commission, FP6 EU-Mercosul, Brussels Economist Researcher “Analysis of the competitiveness of Mercosul’s key agri-food sectors, comparison of EC policies and ex-ante impacts of the EU-Mercosul trade liberalization” (FP6-06516 EU-Mercosul). Participation in the work packages on EU-Mercosul agri-food policies (databases and analysis). 2008
Reference: Antoine BOUET, a.bouet@cgiar.org
- European Commission, FP6 TradeAg, Brussels Economist Researcher “Agricultural Trade Agreements” (FP6-513666 TradeAg). Task leader on EU-Mercosul trade negotiations and Participation in the work packages on Non-Tariff Barriers, Databases, and General and Partial Equilibrium Modeling. 2005 – 2008
Reference: Jean-Christophe BUREAU, bureau@grignon.inra.fr
- Institute International Centre for Trade and Sustainable Development, Geneva Economist Researcher “A Comparison of the Barriers faced by Latin American and ACP countries’ Exports of Tropical Products” with J-C. Bureau and A-C. Disdier. 2007
Reference: Jean-Christophe BUREAU, bureau@grignon.inra.fr
- French Ministry of Agriculture, Paris Junior Economist “Concurrence et Compétitivité des pays du Mercosul et étude de l’effet des accords tarifaires sur diverses filières françaises” with J-C. Bureau and S. Drogué. 2003-2004
Reference: Direction des Politiques Economiques et Internationales (DPEI), MAAPAR 04 G5 01 01. Report from October 2004 (pp.1-150)

Honours and awards

- UNCTAD Virtual Institute – Trade and Gender Course Scholarship - 2015.
- UNCTAD Virtual Institute – Trade and Poverty Course Scholarship - 2012.
- French Ministry of Research – Allocation de Recherche - (2003–2006).
- Global Trade Alert Grant on Protectionism in Latin America (with Nicolas Depetris Chauvin) - 2012.
- Spanish Teacher Assistant - Cultural Department of France Embassy in Argentina - (2002 – 2003).

Memberships, Visiting research and other interests

- Visiting research at (1) the European Commission JRC IPTS (D4 Agriculture) – Seville (Spain), Jan–Feb (2018, 2019 and 2020); (2) Université Paris Sorbonne and AgroParisTech – Paris (France), Jan–Feb 2017.
- Associated Researcher – CEPPII, Paris since 2008.
- Membership: EAAE, the Econometric Society (until 2016), GTAP network, LACEA.
- Referee: JAE, ERAE, OECD JES, RPJ, JAEs, IIEP publications.
- International Conferences: ETSG, GTAP, LAMES-LACEA, ELSNIT, SAER, AAEP, ICABR, etc.).
- Other interests: Chorale de la CIUP 2004-2008; Jazz and flamenco dance.
